Stud Beef News 2011

Attn Exhibitor

Listed below are some changes that we will be trialling at the 2011 Woodford Show. We are making these changes to hopefully have everyone home a little earlier on the Saturday afternoon. There are also some rules which we are going to be enforcing this year. There has been a competition started for the Small Breeds which is offering substantial prizes and we hope will be well supported. A flyer will be attached for this.

Entries – Please ensure entries are received by **Friday 17th June 2011**

Local Junior Handlers Competition - Once again the **Local Junior Handlers competition will be Friday afternoon (24.06.11) starting at approx 3pm**. This will be followed by the Local Young Judges competition at approx 6pm on Friday 24th June 2011. The Regional finals for both these events will still be held on the Saturday as in past years.

Schools Competition - Animals and students to be nominated by 3pm Friday 24.06.11.

Nose Rings and Grips – We need to ensure that Rule 4 is adhered to. That is that all bulls over 12 months must be led with a nose ring, all other cattle to be led with nose grip. Except for calves at foot.

Tick Free Area – Cattle returning to a Tick Free Area will be required to have a Travel Permit. This must be presented to the Clearing Officer prior to being sprayed for departure.

Small Breeds Triple Crown – This competition is open to the Small Breeds listed – Aussie Mini Greys, Dexters, Lowlines, Redlines, Miniature Galloways, Miniature Herefords and the Nadaduanas. To be eligible for the \$1000 in cash and prizes the participating animals must be exhibited at the 2011 Brookfield Show, the 2011 Woodford Show and the 2011 Samford Show. (All 3 shows) Points will be awarded at each show and the Male and Female with the highest aggregate points will be awarded the Small Breeds Triple Crown. Brookfield is the first show in this competition, judging is on Sunday 15th May 2011. Contact Andrew O'Hara for Brookfield details – 0414275066 or www.brookfieldshow.com

We hope to see you at the 2011 Woodford Show
