Sustainable Scarecrow Prep - Year 6

The aim of the Sustainable Scarecrow Competition is to involve children in aspects of sustainability and to encourage their interest in the concept of growing their own edible plants and keeping those plants safe from predatory birds. We would like to create an interest in the next generation about where their food comes from and how to keep it safe while growing.

**Sustainable Scarecrow (P-6)**

Entry: Free

Prize Money: \$50 To the Winning School and Certificate to all Participating Schools.

Entries to be delivered Wednesday 16th or Thursday 17th June. Each school is invited to provide one (1) scarecrow and it must be transportable (aka not built at the show). Scarecrows and any props must be made from sustainable and recycled materials. Scarecrows must be freestanding with a size not exceeding 1.5m in height or 1m in width. Exhibits can be collected on Sunday 20th June between 9am and 11am, or at an other arranged time after the Show.
